

Privacy Policy

Overview

Red Dot Now is committed to ensuring that your privacy is protected. We will not sell, share, or rent this information to others in ways different from what is disclosed in this statement.

General privacy statement

We may only use your email address or personal details to contact you from time to time about matters directly related to our website, social media sites or to the services which we may render to you. Your email address or any other part of your personal information as provided by you will never be used for marketing purposes outside of our direct services.

Information Collection and Use

Red Dot Now is the sole owner of the information collected on this site. We will not sell, share, or rent this information to others in ways different from what is disclosed in this statement.

Log Files

We use IP addresses to analyse trends, administer the site, track users' movements, and gather broad demographic information for aggregate use. IP addresses are not linked to personally identifiable information.

Sharing

We do partner with third parties to provide specific services. When the user signs up for these services, we will share names or other information that is necessary for the third party to provide these services. These parties are not allowed to use personally identifiable information except for the purpose of providing these services. We will not voluntarily disclose any information about individual users to third parties, except as described in this privacy statement, or to comply with applicable laws or valid legal process, or to protect the rights or property of Red Dot Now and its partner sites.

Links

This website contains links to other sites. Please be aware that Red Dot Now is not responsible for the privacy practices of such other sites. This privacy statement applies solely to information collected on pages of this site.

Security and Data Storage

This website takes every precaution to protect our users' information online. We also do everything in our power to protect user information offline. Access to all of our users' information is restricted in our offices. Only employees who need the information to perform a specific job are granted access to personally identifiable information. If a user's personally identifiable information changes (such as their email address), or if a user no longer desires our service, we will provide a way to correct, update or remove that user's personal details provided to us.

Blog Disclosure

If you choose to submit information or comments to the blog on this site, you should be aware that any personally identifiable information you submit there can be read, collected, or used by other users of these forums, and could be used to send you unsolicited messages. We are not responsible for the personally identifiable information you choose to submit in these forums.
